5. NEW BUSINESS

5.1 Computing Science and Information Systems – Program Revision

Raymond Yu was invited to the table to speak to this item. As an update to his memo he clarified that CSIS 1110 is a prerequisite to several other courses as well as CSIS 1111. He explained that he was requesting Council consider short cycling this motion so that the proposed changes can be implemented for the Fall 2008 semester. T. Angus advised that the Department will have to personally advise all students of the change and R. Yu confirmed they would be doing this.

In response to questions, R. Yu confirmed that CSIS 1110 was a necessary course in order for students to succeed at higher level courses. He also confirmed that other communications course were required in Semester 1.

There was unanimous consent to short-cycle a Motion to Approve the program revisions to the Computing Science and Information Systems programs as presented.

There being no further discussion.

MOVED by M. Brulhart; SECONDED by T. Smith,

d. The Diploma in Computing Science and Information Systems (with Double Speciality) – the addition of CSIS 1110 (Introduction to Computers), the removal of CSIS 2215 (Communication Issues in Information Technology) and moving MATH 1130 from Semester I to Semester II.

The Motion was CARRIED.

5.2 Recommendations on the Bachelor of Business Administration Degree and the Child and Youth Care Degree program revisions from the Applied Degree Standards Committee

Gary Tennant was invited to the table to speak to this item. The Chair explained this item had been included on the agenda for information prior to Council considering the two degree program revisions which were also included on the agenda. She confirmed that the revisions to the degrees are supported by the Vice President's Academic Council and the Applied Degree Standards Committee.

There was no further discussion.

5.3 Bachelor of Business Administration – Request for Program Revision

R. Coulson was invited to the table to speak to this item. She explained that the proposed changes were felt to be in the students' best interests. There will still be a breadth of electives but the proposed revision will remove some of the electives at the 3000/4000 level and lower the number of required upper level credits a student must complete to 55.5 credits, which is still above the College policy minimum required 45 credits. She confirmed that at the site visit the Degree Quality Assessment Board panel had queried as to whether there were too many 3000/4000 options. J. Lindsay confirmed that degree changes such as this did not have to be approved by the Degree Quality Assessment Board. She explained that the Vice President, Education had the discretion to decide when a change was major enough to ask the Degree Quality Assessment Board for review and approval. She clarified that it had not been necessary for them to review any of the changes Education Council has approved so far and she confirmed the changes requested for the Bachelor of Business

THAT Education Council approve changes to the Bachelor of Business Administration Financial Services and Administration Degree Program so that the required number of 3000/4000 level electives is reduced from five courses to two courses thereby reducing the number of 3000/4000 level credits that a student must complete from 64.5 credits to 55.5 credits.

The Motion was CARRIED.

5.4 Child and Youth Care Counsellor Diploma – Request for Program Revision

Ray Chapman, Gary Tennant and Artemis Fire were invited to the table to speak to this item. G. Tennant indicated that the courses have already been passed by Education Council and this proposed revision is to recognize that these core courses are part of an aboriginal stream. He indicated that the late submission was due to the delayed confirmation of the funding from the Ministry.

There was unanimous consent to short cycle a Motion to Approve the Child and Youth Care Counsellor Diploma program revisions as presented.

There being no further discussion.

MOVED by C. Murphy; SECONDED by B Hardy

THAT Education Council approve the program revision to the Diploma in Child and Youth Care to include an Aboriginal stream of courses, CYCC 1142, CYCC 2452, CYCC 2332, CYCC 2212 and one practicum) which will partially fulfill the graduation requirements for a Child and Youth Care Counsellor Diploma.

The Motion was CARRIED.

5.5 Curriculum Committee – Variance to Terms of Reference

The Chair explained that Amanda Hardman, long time non-Education Council member of the Education Curriculum Committee will be away from the College on leave from September 2008 to January 2009.

A. Hardman has served on the committee for many years and, given her excellent work and her interest in continuing on in the future, the Chair suggested that Education Council consider approving a variance to the terms of reference of the Curriculum Committee. The variance would be to allow the current Curriculum Committee Chair to function as a committee of one for the Fall 2008 semester. Council agreed and there being no further discussion.
