4.1 Curriculum Items

a) Curriculum Committee Recommendations

K. Denton noted for level one ELLA courses that are mainly intended for international

higher residency requirements. The following is the suggested wording for the Committee on Educational Policies to consider:

RESIDENCY REQUIREMENT

Ralph added that according to the Industry Canada report, there has been an increase in international trade activity over the past decade that has requirement to improve supply chain ability in sectors such as manufacturing. This program will help iC(R)5(al)6(ph)os

Hospitality Business Structure and HOSP 1235 Food and Beverage Service Operations).

The program will have Essentials Skills training, industry specific training and certification, as well as job search and employment skills.
