- 4.3 Insert, complete and format a FrontPage table.
- 4.4 Create and edit text and graphic hyperlinks.
- 4.5 Insert, position and resize images.

O: Methods of Instruction

A combination of lecture, demonstration, guided practice and self-paced lab assignments and projects will be used. Active learning is an integral part of this course, and major emphasis will be placed on a “hands-on” environment to allow students to work both independently and collaboratively to learn and apply microcomputer application skills and techniques.
